We thank you again for your help in keeping our neighborhood looking its best. Working together on this goal is what keeps Englewood Isles beautiful. We continue to notice rust stains on homes, sidewalks, and driveways. Products are available to remove this problem. Should you have any concerns, don't hesitate to phone Meredith Herrington, Chair of PMC at 941-474-3042 or email at jimandme58@gmail.com.

On our Website under “Contact Us” we ask that you list your personal information in the event of an Emergency to your property during your absence. We have had two unfortunate incidents where water was observed running down the driveway and the owners could not be reached resulting in more extensive damage. TEXTING 911

Deputy Sheriff Catherine Duff has asked that we share the following regarding the new 911 text service: Texting will help individuals who are deaf, speech impaired, or are in “in-progress” types of emergencies where it would not be safe to voice the emergency. A person who texts 911 should know that the Sheriff’s Office will not be able to pinpoint their location. The texting person must first give a precise location and description of the emergency. The text cannot contain pictures or videos. The following link has additional information and a video:
